CAPABILITIES

YOUR SINGLE SOURCE FROM CONCEPT TO DELIVERABLE

CHEMICAL AND CONSUMABLES DISTRIBUTION SERVICES

Chemical distribution is about more than logistics for Graco Supply Company and E.V. Roberts. The combined entities are authorized distributors of 17 top suppliers including 3M Aerospace and Industrial, Airtech, AkzoNobel, Eastman, Henkel Aerospace, Hexcel, Huntsman, Momentive, Resin Formulators, Scott Bader and Sika among others. We have the capabilities and resources to source additional products to meet your needs, and have strong relationships with companies such as BP, Chemetall, Contec, LPS, Mask-Off, Permabond, Zip-Chem, and many more.

INTERMIX PAINT SERVICES

We are authorized by AkzoNobel to blend, repackage and distribute aerospace coatings, including Eclipse Series, Alumigrip 4200, 4250, 4400 base coat/clear coat and AkzoNobel 58 series per MIL-PRF-85285. We have thousands of colors available with Mica and Pearl capabilities. We also offer custom color matching. Our custom sizing capabilities enable us to offer economical solutions to our customers. We can support short lead times with AOG and expedite options.

PACKAGING AND DISPENSING

As part of our customer-focused and service-first approach, every product that leaves our warehouse can be enhanced with specialty packaging and dispensing. Our custom packaging and labeling capabilities help brand and optimize your business. Our dispensing technology ensures precision and safety with every application, eliminating waste and ensuring accuracy at the point-of-use. Tailor the amounts, choose the format, and modify the packaging to work as a complete solution for you and your team of engineers and project managers.

CUSTOM FORMULATION

Resin Formulators is the time-tested and trusted brand of epoxy, urethane, and silicone specialty materials that can be uniquely customized, tested and certified on-demand. Whether you need a proprietary formulation for a specialty material, are looking to improve cure rates, or simply modify color or viscosity, Resin Formulators can help. With a Boeing-trained on staff chemist, and a lab designed for state-of-the-art formulation, our innovative custom formulation division delivers high quality solutions that are uniquely engineered to meet your needs.

VENDOR MANAGED INVENTORY

We offer a customized and convenient VMI program for our aircraft, aerospace and industrial customers. We maintain proper levels of materials in our warehouses across the nation to ensure that the needs of our buyers are met in a timely manner. Our VMI benefits include consolidated temperature-controlled storage location, cost-saving order consideration, custom packaging and re-sizing, reduction of overall inventory, reduction of administrative responsibilities, reduction of haz-waste/expiring material, product management and support experts.

OUR COMMITMENT TO QUALITY AND SERVICE

Graco Supply Company and E.V. Roberts are fully qualified to design, manufacture, and distribute products to a variety of industries. We are independently certified to three rigorous international quality standards: ISO 9001 :2015, AS91 00 (Rev. D) and AS9120 (Rev. B). To verify compliance with the requirements of these certifications, we engage in routine on-site examinations and audits of our processes. These certifications, along with stringent self-examination practices, help ensure that we provide the highest quality products and services to our customers.
